Pain Management in the 21st Century

October 17th, 2018
12:15 p.m. – 4:00 p.m.
Hennepin County Medical Center
G8.313 Conference Room

Description/Learning Outcomes

As health professionals, we need to challenge the assumptions we hold about the types of pain patients experience, the medications and dosages we should give them, and other methods of providing comfort. **Learning Outcome:** At the conclusion of this class, the learner will self-report an improvement in their knowledge base and critical thinking skills related to assessing and managing pain using both pharmacologic and alternative therapies.

Target Audience

This class was designed for nurses; however, other health care professionals are welcome to attend.
